INSTRUCTIONS FOR ORDERING YOUR MAINTENANCE/SPECIALTY MEDICATIONS

Welcome to the HealthTrans mail order service plan. The mail order service is designed for those patients who require medications on a recurring basis. Mail order is convenient for you, because the medications will be mailed directly to your home.

Step 1 - Doctor Prescription

To begin using mail order, you must first obtain a written prescription from your doctor. The original prescription must be submitted along with the completed mail order form.

Step 2 - Fill Out Form

Take a few minutes to complete the form on the back of this page. Please fill out the order form completely and print clearly. Use one order form for each patient ordering medication(s). Missing information delays the processing of your order.

Step 3 - Select Payment Option

You may either use a credit/debit card or an electronic check to process your payment. HealthTrans Pharmacy cannot process or ship your order without payment in full. When using a credit card, be sure to include your credit card number and expiration date. When making an electronic transfer from your checking account, you must include a voided check from the account to be debited. HealthTrans Pharmacy provides free standard shipping for prescriptions. If you choose to have your medication shipment rush-ordered, additional costs will apply.

Step 4 - Submit form to HealthTrans

Send a copy of completed form and your original prescription(s) to:

HealthTrans
P.O. Box 4057,
Greenwood Village, CO 80155-4057

MEDICATION SUPPLY CONSIDERATIONS

Be sure to place your order at least 14 days before you run out of your current medication supply. If you need a prescription fulfilled immediately, ask your doctor to write a 30-day prescription that you can have filled at your local pharmacy, and a 90-day prescription for you to send to HealthTrans Pharmacy.

Pharmacy Regulations prohibit HealthTrans Pharmacy from honoring requests to cancel or return prescription orders after the order has been received.
